Sir,

Saw your ad in the Desert Dispatch too late to attend your meeting personally.

I am totally behind your proposal to turn the desert into an energy resource. The Sun and Wind are abundant here in the high desert.

The 34AD could be a model for the rest of the nation in developing Solar/Wind. And involving Native Americans in such a project would be a true win/Wind situation. Or Wind/win!

Regards,  
William A. Lansville
