Dear Mr. Borchard:

The Old Spanish Trail Association urges BLM attention to and respect for preserving the National Historic Trails and their visual corridors and viewsheds in determining the location of facilities and activities. The Old Spanish National Historic Trail has been declared a resource of national significance by the U.S. Congress, as of 2002. Preserving this resource is the responsibility of the National Park Service and the Bureau of Land Management, joint administrators. It is of great concern to our not-for-profit citizens' support organization.

Sincerely yours,

Donald Davidson, OSTA Association Manager
