I am strongly objecting to this proposal and request that if this area is closed the BLM be required to reestablish and equal size area with the same miles of trails in another area in their district within close proximity to Las Vegas. This new area would be in addition to any remaining OHV areas (Nellis Dunes)

I find it hard to believe that the BLM would consider shutting down this large of an area to ohv use and destroy the whole area with the installation of solar panels..
