I plead with you to please not take any more land from public use. This is one of the last areas of the southwest US that off-roaders can still enjoy off roading. I travel to Nevada 5 to 6 times a year to race and play in this area. Not only would you be taking even more land from the public but you would also be causing Nevada to lose a large amount of tourism. Please consider some other alternatives if at all possible.

Sincerely,  
Mike Payne
