As a family, My wife and three kids enjoy riding and racing in our Southern Nevada Desert. We are good stewards of the desert and encourage others to be the same. We are losing too much land to be able to recreate on, and I am afraid of my future grandkids not having the same enjoyment that my kids and I have enjoyed. I am fourth generation off road rider in the Nevada country side. Please, if you must place the windmills, and I understand the necessity, PLEASE grant us usable land within the Lasd Vegas area as a replacement.
