I am urging you to NOT CLOSE THE "JEAN" AREA including KNIGHT RANCH ROAD AND AREAS and also Please do not close off any of the additional 280,000 acres or Nellis Dunes. Please keep these for public OHV use. All this land is so small and not enough, and we need it to play with our families. Please do not create any more closures of what little is left to us and all citizens for us to take our families and play together.

If you close this and the other areas, please require BLM to reestablish an equal size area with the same miles of trails in the Las Vegas District and a close proximity to Las Vegas. This request is in addition to BLM keeping Nellis Dunes open for recreation and it's trails as well.

Please do not close off this Jean area for Solar use or any other use but to keep it and the other acreage open for public use! So much of public lands have been taken that we have very little left and the Jean area and Nellis Dunes is all that's left to Nevadans and tourists alike. KEEP IT OPEN TO THE PUBLIC FOR RECREATION.
