I believe that this area be left open to the thousands of Off Road enthusiasts. It is already hard to find areas close to Las Vegas to ride with our young families. Our bouys love to ride and race. I am sure the are more appropriate areas that can be used for the solar engery that does not affect those that enjoy the outdoors with families and friends. Do the future youth of our country and move it away from areas that have benn enjoyed for years.

Thank You,

Keith Wade
