The proposed closure of the Night Ranch road OHV area is very disappointing to me and my family. We are members and racers in the snore off road organization. Off roading and off road racing is a family sport that my family and many others family's enjoy being involved in. With the proposed closure of yet another OHV area - it is making it harder for families to go out in the desert and enjoy a family sport. I have grown up going to the desert for 37 years now and hope to be able to have my children be able to do the same thing with their children in the future. Thank you for your Time. Jon Hart
