Thanks for your time.

My name is Joseph Moyer, I am a native of Las Vegas. So i have witnessed the growth of our great city. Also I have been subject to the loss of public lands to development. Which destroys all of our desert areas to place empty houses and parking lots. I understand the need for energy and like the idea of solar power plants, but the amount of area that you will take away form us is huge! Where am I going to teach my children to enjoy nature without any open recreation areas near the valley? Again thank you for your time.
